

HILL ROBINSON

YACHT MANAGEMENT CONSULTANTS

September 2011

FOR IMMEDIATE RELEASE:
Antibes, 14 September 2011

The **OLD** and **NEW** join the charter management department at Hill Robinson.

Hill Robinson Yacht Management Consultants are pleased to announce the addition of two new sailing yachts to their commercial management department: *Germania Nova* and *Sarissa*.

Step back in time with *Germania Nova*, an exact replica of the 1908 gaff schooner *Germania*. She is an overall length of 47m, a crew complement of 13 and accommodation for up to 10 guests in five double cabins. *Germania Nova* is skippered by John Bardon who has captained such prestigious classics as Schooner XXXX, Creole, Savarona and Shenandoah of Sark.

Built by FNM in Spain and launched in June 2011, *Germania Nova* will be available in the Caribbean for charters winter 2011/2012 and returning to Mediterranean for the summer 2012 season.

Sarissa, at 42.6m, the largest carbon sailing yacht to be delivered by Vitters in The Netherlands has also joined the charter management department of Hill Robinson. Designed by Bill Tripp and with a Rhoades Young interior, this modern sloop was delivered in August 2011 and will be available for charter in the Caribbean from early 2012.

Sarissa can welcome up to 8 guests in 2 double, 1 twin and 1 convertible cabin each exquisitely styled and with the latest in audio-visual technology guaranteed to impress the most discerning charter guest. Large and clear deck spaces emphasise the size of the yacht, so with Captain Greg Monks at the helm, supported by a professional crew of 5, guests onboard will feel the power the 875m² of sail area can give.
